

## **Public Liability Insurance**

The Chipping Sodbury Festival Society has taken out wide insurance cover so that stalls in the Street Fayre and floats in the Carnival on 18<sup>th</sup> June 2011 may be covered for public liability. Many groups have found individual policies to be prohibitively expensive. Some groups, branches of larger organisations, are covered under National arrangements.

Groups eligible for cover under our policy are Charitable, Voluntary or 'Not-for-Profit' organisations which, of course, includes Schools and School Support Organisations.

Businesses, commercial enterprises and stalls planning to make personal profit are not covered.

A condition of cover is that organisers of a stall or float must be members of the Festival Society. Anyone who resides or works within a 10 mile radius of Chipping Sodbury is automatically a member if they so wish.

A further condition is that we must know which organisations wish to be covered in advance. It is therefore very important that you complete the form below and return it to us well before the event to request cover. We can then furnish the Lions with a list of those covered, for the security of us all.

We are not Insurance Brokers, so we cannot charge for the cover, but we suggest a small donation to the Festival of, perhaps, £ 5.00 for a stall or £ 10.00 for a float, as a sign of goodwill and to assist with our overheads. Cheques should be made out to Chipping Sodbury Festival.
