Stall Type (e.g. Bric-a-brac, etc)				

Please note that preference will be given to traditional stalls and those who wear traditional Victorian dress to make the day more Victorian. We would advise that there is **NO** space between stalls (these are space only with NO table or overhead covering, gazebo's or similar are allowed, 3m square max, and it is suggested that some form of lighting is arranged e.g. battery lanterns, as a minimum) and there are **NO** car parking facilities on the pitching.

Please make cheques to “Chipping Sodbury Victorian Day”.

Stallholders must move vehicles out of Broad Street immediately after unloading.

Will you please describe you activity in detail, as we will try to keep similar stands separate so that competing stalls are not together. We cannot accept some catering stalls, however this does not exclude stalls selling home made cakes or other similar produce.

The Lions Club of Chipping Sodbury is the organiser of the stalls and has insurance to cover the event. This does **not** include any stall holders liability so we must insist that you have insurance to cover all liabilities (including third party) should anything happen with your property, the items you are selling, staff or helpers whilst at the event.

By signing this document, I confirm that insurance as detailed above is or will be in place to cover us at the event (The Lions Club of Chipping Sodbury & Chipping Sodbury Victorian Day Committee will NOT be held liable for any claim caused by you or your helpers neglect).
